DEAR SIR: I write to acknowledge the benefit I have received from the Welden Spring Water. I have been troubled with Disease of the Kidneys for many years. I have consulted some of the best physicians in the country and received no relier. Some few months since I was recommended to try the Welden Spring Water. I had not taken it long before I was surprised to see how much good it had done me. Since then I always keep it in my room and seldom drink any other water, knowing eventually it will cure me. As I am anxious that others it will cure me. As I am anxious that others should be benefitted by my experience, I cheerfully recommend it to all suffering with the same disease. Respectfully.

17 MERCHANTS EXCHANGE. E. S. GOODWIN.

Dear Sin: I cheerfully comply with your request to give my candid opinion of the merits of the Welden Spring Water. For some years I have suffered much from Dyspepsia, and having exhausted patent medicines and the prescriptions of many physicians, I was advised to try the Welden Spring Water. I found by taking a glass of the water before meals it acts as a tonic and general regulator of the system, and enables me to eat any kind of food without inconvenience. The only evidence I can give of my appreciation of its virtues is a recommendation to every one suffering from Dyspepsia to try it.

Yours truly, FRANK B. DIXON.
